This plan is made available for non-commercial use only and may not be redistributed. If this plan is obtained from any source other than ListatoMottola.com it has been copied in violation of copyright.

NOTES:

1. Headstock is shown as if rotated parallel to the drawing plane in the front view.
2. Control cavity is routed from the back to within 0.125" of the front surface.
3. Cover recess is routed from the back to a depth of 0.125".
4. The upper horn does not appear in the side view so that neck details may be shown.
5. Pickup pockets shown are for oval base strat style pickups.
